

FINE CLOTHING—M. GUTMAN & CO.

Your Wife Will Leave You

If you wear that old suit much longer. It looks so worn and shabby—and has no more style about it than a cord of wood. You would not be a bad looking fellow at all if you wore one of

Gutman's Nobby New Spring Suits.

Time was when men wore clothes to cover their nakedness. They wear them now to be fashionable. That restless, evanescent unknown quantity, **STYLE**, when shown in the cut of a coat makes men distinguished.
